

Selected Paper Publications

1. Dr. R. Gobinath., and M. Vidya, "Implementation of MANET Models with Mobile Application to Prevent Obstacles in Urban Traffic Areas" Published in Journal of Advanced Research in Dynamical and Control Systems, 4(Special Issue). pp. 47-52, 2017. **(Scopus Indexed/ H Index: 4)**
2. R. Gobinath and M. Hemalatha, "A Negative Association Rules for Web Usage Mining using Negative Selection Algorithm", Published in Journal of Theoretical and Applied Information Technology, 64(3), pp. 687-695, 2014. **(Scopus Indexed/ IF:1.71)**
3. R. Gobinath and M. Hemalatha, "Visualizing the Navigational Patterns from Web Log Files using Web Mining Applications", Published in International Journal of Scientific and Engineering Research, 5(5), pp. 538-544, 2014. **(IF: 1.4)**
4. R. Gobinath and M. Hemalatha, "Improved Preprocessing Techniques for Analyzing Patterns in Web Personalization Process", International Journal of Computer Applications, 58(2), pp. 13-20, 2012. **(Peer-Reviewed, IF:0.835)**
5. R. Gobinath and M. Hemalatha, "An Heighten PSO-K-harmonic Mean Based Pattern Recognition in User Navigation", Research Journal of Applied Sciences, Engineering and Technology, 7(7), pp. 1283-1287, 2014. **(Scopus Indexed/ IF: 0.030)**
6. Dr. R. Gobinath and SK.Piramu Preethika, "Computation offloading in Smart Mobile Devices and comparison study on Frameworks", International Journal of Engineering and Technology (UAE), Vol: 7(2.33), PP: 722-725, 2018. **(Scopus Indexed).**
