ABOUT THE HOST UNIVERSITY

Vels Institute of Science, Technology & Advanced Studies (VISTAS) is one among the premier educational institutions in India. This esteemed institution was founded by Dr. Ishari K Ganesh, a visionary and an eminent educationist, in fond memory of his father Shri. Isari Velan, a former minister in the popular Govt. of Dr. MGR. Vels Group of Institutions was established in the year 1992 and granted the Deemed to be University status by the Ministry of HRD, Govt. of India in 2008, University Grant Commission (under Section 3 of UGC Act 1956). It offers courses in multiple streams over the past 25 years such as undergraduate, postgraduate and doctoral programmes in Engineering, Management, Pharmaceutical Sciences, Maritime Studies, Arts, Science and Humanities. VISTAS has been accredited with "A" grade by NAAC in its new regulation scheme and announced as mentor institution.

Department of Biochemistry

Established in the year 1993 with UG Course and PG course was introduced in the year 1997.

Department of Biotechnology

Established in the year 2002 with UG and PG course.

Department of Microbiology

Established in the year 1993 with UG Course and PG Course was introduced in the year 1997.

Department of Bioinformatics

Established in the year 2013 with UG Course and PG Course was Introduced in the year 2003.

School of Life Sciences have excellent infrastructure facilities including well-equipped laboratories and dedicated faculty members.

ABOUT THE RTLDM 2020

Lifestyle Diseases are the ones which are driven by sedentary lifestyle, poor eating habits, lack of exercise, drug abuse, excessive intake of alcohol, poor sanitary practices and smoking. All these factors account for enormous number of non-communicable diseases that have near life-threatening effects. Hence, there is an immediate need of spreading the awareness regarding this underestimated aspect at the global level. This conference aims at discussing the role of lifestyle in causing different chronic diseases which can be prevented by taking adequate measures. The conference will address on the recent issues on lifestyle changes that lead to alterations in the biological rhythm of the body and its related altered metabolism and also on its counteractive measures. VISTAS heartily welcomes researchers, academicians students and professionals to acquire and share the trending approaches pertinent to the conference theme. The organizing committee is confident that participants will benefit from the high value scientific programme.

CONFERENCE THEME

- Obesity
- Diabetes
- Cardiovascular diseases (CVDs),
- Bone disorders
- PCOD and Hormonal disorders
- Neurological disorders
- Cirrhosis
- Renal diseases
- Chronic Obstructive Pulmonary Disease
- Depression and cancer
- Occupational Diseases
- Brain drain
- Microbial Diseases
